

Previously known as: Virtex™ 79-700

## All day comfort in a lightweight glove

- 79-700 is designed specifically to offer outstanding comfort, flexibility and good chemical resistance.

### Industries

- Food Processing
- Janitorial / Sanitation
- Construction
- Automotive
- Metal fabrication
- Transportation

### Applications

- Engine transmission and repair
- Painting or cleaning tools or robots
- All food processing applications that have food contact
- Light assembly tasks
- Handling dry, wet or oily large objects
- Oil, fluids and filter change

Previously known as: Virtex™ 79-700

### Key Features

- AQUADRI™ - Ansell Moisture Management Technology. This technology gives this reusable, handed glove excellent moisture absorption capabilities and keeps users hands drier for a longer period of time
- Food approved
- Light duty glove for good dexterity and flexibility

### Vulcanization Chemical Accelerators

- Zinc Diethyldithiocarbamate
- Zinc 2-mercaptobenzothiazole

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
